## Publications

Our publications include **books** by UNISCI members as well as the proceedings of the international conferences organized by us.

**UNISCI Papers** is our monograph series on current security issues, published either in English or in Spanish.

You can view a list of the available titles and their contents at our website: [www.ucm.es/info/unisci](http://www.ucm.es/info/unisci).

## UNISCI Discussion Papers

**UNISCI Discussion Papers** is our scientific journal (3 issues per year: January, May and October). ISSN: 1696-2206.

All the articles can be downloaded –free of charge– at our website [www.ucm.es/info/unisci](http://www.ucm.es/info/unisci).

*UNISCI Discussion Papers* is a refereed journal. Authors wishing to be considered for publication should refer to the guidelines available on-line.

The thematic scope is that of International Relations and International Security, both understood in a broad sense and from a multidimensional approach, open to different theoretical perspectives.

Should you need any further information, please contact us at [unisci@cps.ucm.es](mailto:unisci@cps.ucm.es).
